warranted by the above-cited statute, the following advertisement to issued, in compliance with the directions contained therein, viz:

PROPOSALS for carrying the letter mails of the United States, also for carrying the residue of the mails, from the lat day of October, 1857, to the 30th of June, (inclusive,) 1851, on the following route in the State of New York, will be received at the Contract Office of the Post Office Department, in the city of Washington, until the 11th day of September, 1857, (to be decided by the 13th day of said month.) in the manner herein stated, viz:

1123 From Rouse's Point, by Champiain, Moore's Porks, Aaronsburgh, Ellenburgh, Churubusco, Wrightsville, Charasangay, Andreavellie, Malone, Bangor, North Bangor, Brush's Mills, Moirs, North Lawrence, Brasher Fulls, Stockholm, West Stockholm, North Stockholm, North Stockholm, North North Stockholm, North Potsdam, Potsdam, Madrid Depot, Madrid, and Lisbon, Contra, to Ogdensburgh, 119 miles and back, six times a work.

The letter mail is to be carried on horseback at the greatest practicable speed, and the residue of the mail in wagons, or otherwise, at 4 slower rate of speed. Bidders will state in their proposals the schedule of arrivals and departures by which they propose to run, and the rate of speed to be accomplished. The proposals may set forth distinct sums for the letter and for the other mails, or a combined on

mailable matter out of the mail.

Each bid must be guarantied by two responsible persons. Genguarantees cannot be admitted. The bid and guarantee should be
of plainly with the full name of each person.

be department reserves the right to reject any bid which may
leemed extravagant, and also the bids of failing contractors and

Transportation of Coal to China

PROPOSALS, sealed and endorsed "Proposals for Preight to China," will be received at this bureau until 3 o'clock, the 15th September next, for the transportation of not exceeding 4,000 tons of authractic coal from the port of Philadelphia, in such quantities as may be offered, and the Department deem proper to accept, to be delivered to the United States areal storekeepers at Hong-

manded, at the rate of one fair-weather working day for every 30 tons of coal.

The vessel named must stand A No. 1, and pass the usual inspection by such officers as may be appeinted by the commandant of the yard where the ship may be; and if not offered for inspection within three days after a notice has been given, the department will make such other arrangement as will best subserve the public interest. The vessel must be in Philaiselphia and reasty is load within ten days after she has passed inspection, and the notice of acceptance given.

Wind and weather permitting, the vessel must sail within five days after being loaded and the bills of lading signed; otherwise there will be deducted from the freight money, for each and every day's delay sating beyond the five days named, a sum equal to the amount demanded per day for demurrage.

Payment will 1: made within thirty days after the presentation of receipts in triplicate of the desilvery of the coal, by any may agent in the United States that the bidder may select, who will be designated in the charter party.

whose official duties render them particularly conversant with the administration of pension and bounty-land claims:

Letter from the Hon. Jacob Broom, chairman of the Committee on Recolutionary Pensions.

House or Representatives, United States,
Washington, May 19, 1856.

My dear six: I have been pleased to meet with you once more after the lapse of so many years; and I desire to avail myself of an early opportunity to add my thanks to those you must have received from musy others for your labor and care in the complication of the laws of the United States relating to pensions and bounty hands, a copy of the starcotype edition of which I have in my pessession.

The subject of pensions is one which has been, and still continues to be, of interest to the great American family. The circumstances under which those for revolutionary services were provided are of a highly interesting character.*

It was never the design of our fathers that the system should be provision made, is at the same time suggestive of those defines a not omissions which render the system incomplete.

Vor work I have been also the design of the content of the laws, therefore, while it presents in despending on the committee on Revolutionary Pensions, for, without it, I should have been able to have the labor of a close examination of the statetes; and from the frequency of my recurrence to it I have been able to test it meet and appreciate its work ruly, yours, Dr. R. Mayo.

"See introduction to this work for Washington's Appeal to Congress,

Washington, February 19, 1857.
Dean size I thank you for the very useful volume you have sent in have had time only to glance over it, but I have satisfied myself t have had time only to glance over it, but I have satisfied myself of its fidelity as well as of its value. Your supplement contains important additions, and brings the pen

Herolationary Claims.

House or Representatives,
Washington, February 18, 1857.

Drain size, I have the honor to acknowledge the receipt of a copy of
the second edition of your work entitled "rension and Bounty Land
Laws," for which you will accept my thanks.

To all who are microjed in the subject of pensions and bounty
lands, or claims against the government growing out of our revolutionary struggle, yours is a work of the first importance.

In this opinion I have the concurrence of my colleagues in Committee on Revolutionary Calams.

In the examination of cases arising under the pension and bounty and laws, I have had frequent occasion to refer to this work, and save ever found it accurate and complete. As a compilation of the away upon those subjects, I regard it highly useful both to those administering those takes and the public.

With many wishes for your continued success, I have the honor to e your old-last serjunt,

Dr. R. Mayo.

A. GLIVER.

Letter from the Hon. Solomon Post, United States sengtor. Letter from the Hon. Solomon Foot, United States senator.

Washington City, Marich 13, 1857.

Dran siz: I have had yery frequent occasion, both in private investigations and in the Committee on Pousions and on Public Lands, to consult your valuable compilation of the Fension and Bourly Land Laws, and have derived great ald from it. Indeed, I regard it as almost indispensable to the intelligent investigation of questions arising under those laws.

The work is deserving of a very liberal patronage; and I hope you may be abundantly rewarded for your labor.

I am, with sentiments of very great respect, your obedient servant, SOLOMON FOOT.

Dr. Roman Mayo, Washington City.

Dr. Rommer Mayo, Washington City.

Letter from the Hon. T. A. Hendricks, Commissioner of the Gen. Land Office. Washington Cirv, March 26, 1857.

Siz: I have had frequent occasion to consult your work on the Pension and Bornty Land Lows of the United States, especially while II was obstrained of the Cumilities on Pensions of the House of Rapresentatives, and have found it very full and complete, well arranged and reliable.

To those whose investigations touch the pension and bounty-land have it is exercised or executive of constants. To those who a new apparent value, the state of great value, with much respect, your abellent servant, THOS. A. HENDERCKS.

Dr. R. Mayo, Washington City. The letters first alluded to above, as formerly received and published, commanding the work in equally strong terms with the foreguine ere from hands of expertments and other public officers in various connected with the administration of pentions and bounded, viz:

ed, commanding the work in equally strong terms with the fowork from bands of gipstriments and other public edificers in

United States Naval Court of Bremportation.

United States Naval Court of Brems,

Vashington, February 20, 1857.

THE judge advocate gives notice, for the information of parties coming before the court andfer the latesetting of the act of January 16, 1857, that they will respectively be advised by the department when their cases shall have been referred to the court; and that it is desirable that in presenting themselves they should come prepared with a list of such witnesses as they may degive to have submoned, specifying to which of the respective heads
of "States for the naval service" mentioned in the act their testmone is to be applied respectively; and suggesting the delay, if any,
which may be frigilized, cod in respect of wint witnesses.

Y.M. CARLES, E. Judge Advocate.

Select Classical School at Oxford, North Carolina.

Since the establishment of this school in January 1851, by the present principal, Jamos H. Horner, A. M., a
has received a large and steadily increasing measure of the public is,
wor, as attented by an extensive patronare from abroad and its asnant delegation of matriculates to the University at Chapel Bill. Here
after it will be conducted under the joint supervision of Mr. Horner
and Professor A. G. Browin, hate of the steat University, who has been
many years a teacher of the attent classics in that institution. Bay,
T. J. Horner will continue to be an assistant institutor, and others well
qualified for the office appointed as occasion may require.

The plan of studies is designed to prepare young men for advanced
classes in college, and also to it those who notly not expect of desire to
obtain the benefit of a full collegiate course for respectable stations in
life by matruction in the ordinary branches of a sound Explain education. For the sake of the greatest efficiency, the number of classes
will be limited, so that ample time may be devoted, to examination and
lecture upon the subject of every lesson by each instructor to the own
department.

Are will be taken also to adapt the text books and modes of instruction to the basts advancement of knowledge in each, of the soveral
branches. While the methods recommended by experience shall be
constitutely procerved, no expense will be spared to provide the less
apparatus for the work.

Important arrangements are in preparation to increase the advantages and promote the permanent success of the schools.

The instructors are natives of North Carolina, have been long engaged in the profession, and are authorized to refer those who may desire further information at a teleptor personal or official qualifications to
many distinguished efficiency of this and other States in the Sook.

Among these are Hen. Win. A Graham, Hen. W. P. Manguni, exGovs. Morehead and Mahly, Hon. As Biggs, Rt. New. Thomss A
